

# PROJECT READ AND REACH'S FIRST FIELD TRIP 2014-15

Herman's Farm Orchard

# What is a Field Trip?

- ❑ A Field Trip is when students and leaders leave school to go visit and learn something new in person out in the Community.
- ❑ PRR students will be representing both Lincoln and Blackhurst Schools outside school.
- ❑ For everyone's safety, Big 3 Behavior is expected on a field trip just like at school.

# PRR's going on a field trip Friday!

We will be visiting Herman's Farm Orchard just outside of St. Charles.

# Riding the Bus

- ❑ We will be going by bus.  
All students in Lincoln and Blackhurst PRR will be going together on the same bus.
- ❑ All PRR Leaders will be going too!
- ❑ It will take about 15 minutes to get there.

# Bus Safety – Be Prepared

- ❑ Sit facing forward on your pockets
- ❑ Quiet talk allowed
- ❑ “Class-class” means listen to PRR teacher directions
- ❑ Must ride in assigned area of the bus

# When we first get to Herman's Farm

We will have a short meeting with Miss Elsie, Mr. Tom, and Miss Leslie.

We will learn about the farm and the owners.

We will find out if they will need to divide us into two groups.

We will learn the rules of Herman's Farm Orchard so everyone can have fun!

# We will be doing serveral things!

- ❑ Part of the time will be a learning time.
- ❑ Part of the time will be a “doing time”.
- ❑ Part of the time will be a play time!

# Learning time about Apples

- ▣ Mr. Tom will teach us all about how farmers grow apples and how apple trees make new apples every year.
- ▣ Important word - ORCHARD

# Apple picking time

PRR will learn the correct way to pick apples from apple trees.

PRR kids will get to take home the apples they pick in the orchard.

# Hayride Time!

- ▣ Mr. Tom will take PRR Kids on a “Hay Ride” around the farm. He might have to do this in several groups to give everyone a turn on the hay wagon.

# Big 3 on the Hayride Means....

- ❑ Sitting on your bottom in the wagon
- ❑ Leaving the hay alone in the wagon – we want to be safe and make sure no one gets hay in their eyes!
- ❑ Stay in the wagon until it stops and the all clear is given

# Snack Time

- ❑ PRR will meet in a special indoor area part of the time.
- ❑ Here we have our normal PRR snack.
- ❑ We might have some coloring activities too while we wait our turn to do certain activities.

# Play Time! Be Safe!

- ❑ Herman's Farm Orchard has a play area for kids too!
- ❑ PRR groups will take turns on the playground. Not everyone can be on the playground at the same time.
- ❑ We will have to ask if it is okay for us to climb on the haybales.

# Rules on the Farm

- ▣ Leave the riding toys parked please.
- ▣ When it is your turn to ride, we'll go over the do's and don'ts.

# Bathroom Breaks

- ▣ There are only outdoor bathrooms. One for boys and one for girls. We will use hand sanitizer after using the bathroom. Try to go at school before we leave please!

# What will Miss Elsie and Mr. Tom Expect of PRR Kids?

- ❑ How will we show respect to the people at the farm?
- ❑ How can we show PRR Kids are Learners?
- ❑ What are three things we can do that Mr. Tom and Miss Elsie will just love?

# Remember – Field Trips In PRR are a Privilege!

- ▣ Big Three PRR Students will get to participate in all activities.
- ▣ Big Three PRR Students earn the privilege of going on future field trips in PRR!!
- ▣ Make it a great day!!
- ▣ Be Safe, Be Respectful, Be Ready to Learn!
